Plan of Action: All cars meet at the Finish point at 10.00am. Half the cars are left there with the second half driving to the Start with walkers who left their cars at the Finish.
At the Finish of the walk that day, the cars left there will ferry walkers back to their cars at the Start.

Please arrange car sharing with your friends.

To participate you must complete the **Registration Form** and return it by email to Joan or Hazel. Alternatively, post it to the Garden.

The number of walkers is limited to 20 per section. You may choose to walk all sections or just one of them. Please inform Joan or Hazel of your intention of joining each section of the walk.
